

ST MARY'S PARISH COUNCIL.

Parishioners will recall I wrote on 2 September setting out a proposal to form a Parish Council and the reason for that step i.e. for parishioners to assume greater responsibility for some areas of work in running the parish and thereby relieving me of some of those concerns.

With my letter of 2 September was a table identifying the various areas of activity in the parish that I hoped volunteers would fill. I am delighted and grateful for the response. Below are the names of each of the leaders to whom you can address any thoughts or points that you have, including helping! Their contact details may be found on the church notice board in the porch. **Please regard those named here as the first port of call for each area, they are each backed up by many others whose names are not listed but continue to provide invaluable assistance.**
